INCLUSION AND DIVERSITY POLICY

Inclusion and diversity

Rosanna Primary School strives to meet the individual needs of students, catering for those who require special assistance while fostering their special talents or interests. We provide equality of opportunity, regardless of gender, language or cultural background. Our mission is to develop each child to their full potential as literate, numerate and socially competent citizens who acknowledge both their rights and responsibilities and those of others. We aim to deliver a dynamic and flexible curriculum, within a nurturing environment, which meets the needs of each child as they become active participants in life-long learning.

Rosanna Primary School is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Rosanna Primary School acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Rosanna Primary School we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Rosanna Primary School will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg schools sports, concerts, camps) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students

At Rosanna Primary School we strive to act at all times with Integrity. Our school values shape our community and are highlighted in our teaching and learning community. These values are:

- honesty - being consistently truthful and trustworthy
- responsibility - being reliable and responsible in all actions

Student Voice, Agency and Participation

Rosanna Primary School aims to build independent learners through Inquiry Based Learning approaches, where student voice and independent decision making is a feature. We actively promote student participation as a means to improve student inclusiveness and learning outcomes. Student participation ranges from students sharing opinions of problems and potential solutions, to students providing feedback associated with school strategic planning. It also includes our students sharing their 'voice' in class by collaborating with teachers to engage with the curriculum and improve education outcomes.

INCLUSION AND DIVERSITY POLICY

Wellbeing

Rosanna Primary School has a strong focus on wellbeing for all members of the school including students, staff, parents and friends. Our School Values, Respectful Relationship and Restorative Practices programs and FISH philosophy, combine to build an environment of respect, inclusiveness, challenge, and open communication.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Rosanna Primary School. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying Prevention* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Reasonable adjustments for students with disabilities

Rosanna Primary School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group and Home School Support Group processes and in other less formal ways. For more information about support available for students with disabilities, and communicating with us in relation to a student's disability, please refer to our school's *Student Wellbeing and Engagement* policy or contact the Student Wellbeing Officer for further information.
